**Melissa Morrell Earns "Top Individual Fundraiser" for
2009 Upstate Race for the Cure**

Greenville, SC - Melissa Morrell, Greenville's Agent 24/7 with Prudential C. Dan Joyner – North Pleastanburg Office, is proud to announce that she has earned the "Top Individual Fundraiser" for the Susan G. Komen's Upstate South Carolina's Susan G. Komen Race for the Cure. Twenty Five (25) individuals are awarded in this category each year and Morrell earned the top position.

The Upstate Race for the Cure was held on Saturday, September 26, 2009 and fundraising efforts continued through October 31, 2009. As of that date, Morrell had raised \$3,200.00 for the cause through contributions from family, friends and area REALTORS from the Upstate and throughout South Carolina. Morrell's original goal was \$3000.00.

"The fight to find the cure for breast cancer is close to my heart," explains Morrell, whose mother, a 25-year REALTOR in the Low Country of South Carolina, was diagnosed last August. "My fundraising efforts were just a small way to honor my mother's own battle and those of so many who have been and will be impacted by breast cancer. I thank all of my sponsors who contributed. Together, we can raise awareness and find a cure for breast cancer. Together, we will win!"

Since last August, Morrell has pledged to make a contribution to the Upstate Chapter of Susan G. Komen with each real estate transaction with Prudential C. Dan Joyner.
